Live event “*PORTRAITS - BREATH RECODING*”

Napoli, Italy, 03/11/2023

The Continuing Medical Education (CME) activity identified above has been reviewed by the:

European Board for Accreditation in Pneumology (EBAP)
4, Ave Ste-Luce
1003 Lausanne

Accreditation

Accreditation is granted following EBAP and UEMS accreditation standards in order to allow learners to validate the credits obtained at this activity in their home European country.

Decision

Following EBAP's evaluation, the above-mentioned CME activity has been found worthy of accreditation by EBAP for 8 CME credits covering the whole program.

The result of EBAP evaluation has been sent to EACCME. EACCME will let you know their final decision regarding your European accreditation request through their online accreditation platform.

Quality control

By accepting accreditation for the above-mentioned activity, the provider accepts the quality requirements for CME activities as agreed upon by EBAP and UEMS.

Use of EBAP logo

We recommend you identify your activity as being accredited by EBAP, as this will be identified as a gage of quality by learners. You can download EBAP logo as well as the related guidelines on the use of EBAP name and logo from [here](#).

It is the responsibility of the activity provider to ensure the UEMS and EACCME guidelines on the use of UEMS/EACCME logos are also complied with.

Use of COI slide by your speakers

We ask that speakers declare their potential conflict of interests at the start of their presentation. Please ask your speakers to use the standard EBAP slide which can be downloaded [here](#).
